前進中東歐

前言:

立陶宛位處波羅的海沿岸,在資通訊、生技、光學與雷射、農產食品、家具、機械及電機等產業具優勢,經商環境具包容性,是臺商前進歐盟布局的重要選項。另為深化與中東歐國家經貿合作關係,國家發展委員會更分別成立2億美元的「中東歐投資基金」以及10億美元「中東歐融資基金」,鼓勵臺商前往中東歐國家進行投資合作。

經濟部投資業務處特別與立陶宛貿易代表處合作辦理「前進中東歐—立陶宛投資商機說明會」活動,會中將由立陶宛貿易代表處介紹說明立陶宛投資環境與商機,更特別邀請台杉投資及輸出入銀行代表,分別針對「中東歐投資基金」及「中東歐融資基金」進行介紹。機會難得,誠摯邀請有意拓展海外布局的企業先進共襄盛舉!

Lithuania is situated on the coast of the Baltic Sea and has competitive industries in ICT, biotech, laser and optics, agricultural food products, furniture, machinery, and electrical equipment, etc. The nation also has a very inclusive economic and trade environment, making it a top destination for Taiwan businesses looking to make investments in the EU. To further enhance our economic and trade ties with Central and Eastern European (CEE) nations, the NDC has also set up a USD 200 million CEE Investment Fund and a USD 1 billion CEE Credit Fund to encourage Taiwan businesses to invest in Central and Eastern European nations.

The Department of Investment Services, Ministry of Economic Affairs (DOIS) has partnered with the Lithuanian Trade Representative Office to host the Seminar on Investment Opportunities in Lithuania, during which the Lithuanian Trade Representative Office will share details on the investment environment, as well as business opportunities, within Lithuania. We've also invited representatives from Taiwania Capital and the Exim Bank to introduce the CEE Investment Fund and CEE Credit Fund respectively. The seminar is a rare opportunity to learn more about expanding overseas investment portfolios into Lithuania, so all those who are interested are welcome to attend!
